In the second race there are only five sarries, but the field is the best that has yet come together at this track. Roche carries top weight of 115 pounds, conceding eight pounds each to Leonawell. Captain T. and Candelabra, and sixteen to Song and Dance. This lot ought to finish close together. Roche will have to be at his best to beat them.

In the opening event, a seven-furlong dash, Nero, Judge Morrow, Gold Dollar, Miss Dixle and others ought to make an interesting struggle.

A fair lot of two-year-olds meet in the Cthird race, Doe olt arrying top weight, but fairly outclassing the others.

Derfargilla, Prince John, Iola, Wernberg, Filtr, Little Billy and others make up a rattling field in the fourth race.

CURES OTHERS

THERE'S DANGER in a coughmore than ever when your blood is "bad." It makes things easy for Consumption. But there's a cure for it in Dr. Pierce's Golden Medical Discovery. A positive cure—not only for Weak Langs, Spitting of Blood, Bronchitts, Asthma and all lingering Coughs, but for Consumption itself in all its earlier stages. It's reasonable. All these diseases depend on tainted blood.
